

# 1311 Rule – Minnesota Code for Existing Buildings

## **Advisory committee from 9-17-04**

Members present:

Daniel Callahan, Gordon Bates, Jon Nisja, Ron Boose, Dennis Olson, Dan Callahan

Interested parties: Allan Olson

B.C.S.D. Members present:

Greg Karow, Mike Fricke

Mike Fricke called the meeting to order @ 8:45am.

- Section 1311.0010 Adoption by reference. Ron B. needs previous meeting notes and minutes to revise this section. Greg K. will forward information.
- Section 403.4.1: Greg K. Committee reviewed proposed language and approved with minor revisions. Greg will update. (see attached)
- Section 406.1.1 Leave opening statement as per the GREB. Approved as revised. (see attached)
- Section 406.1.4 New draft language for fire separation. Add the Group "I" occupancies. Dan C. will tweak the section for clarification. Exception 1: committee will review for applicability. Exception 5: Greg K. will revise and bring back to the committee for action.
- Scoping provisions: A request was made to contact the legislative individuals who initiated the conservation code to find out what the original purpose and intent was. Fred will see if he can track this down. Scoping provisions will be discussed at the next meeting.
- Jon N. brought language to the table for the committee relating to section 407 for fire protection. Committee should evaluate and be prepared to discuss at the next meeting.
- Dan C. drafted language for initiating fire protection systems. Committee should review information and be prepared to discuss at the next meeting.
- Section 409, 410 and 411: Tabled until David M. can report to the committee.

Meeting schedule:

10/08/04, 10/29/04, 11/19/04, 12/03/04

Respectfully submitted ,  
Greg Karow
